

# Real skills, real results...

*All our courses are developed with you, the South African working individual in mind. Our courses are tried and tested, bringing you the best content, delivered by the best trainers, at the best venues, giving you the best overall training experience.*

We believe that in order for you to get the most out of your training experience with us, a relaxed and open learning environment is essential. Our trainers are approachable and knowledgeable and we guarantee that your learning experience with us will be stimulating, interactive, practical and enjoyable.

## Our company...

Established in late 1999, our focus remains to provide cutting edge training that delivers maximum return on investment. We offer short courses for the office professional in the areas of communication, office administration, personal effectiveness and project management.

We are a fully accredited training provider and meet all the quality criteria specified by the Service SETA. The company is 100% female owned and is fully BEE compliant, with a level 4 rating.

## The KumaloGreen difference...

- ✓ Best trainers – past delegates tell us that the key to our trainings success, is the skill of our trainers
- ✓ Best content – thoroughly tried and tested to make sure that the right skills are taught, skills that will make a real difference in your workplace
- ✓ Best experience – relaxed atmosphere and superior training venues
- ✓ A fully accredited provider means quality assured learning solutions
- ✓ Consistently excellent feedback from past delegates
- ✓ All courses are fully customisable to meet your specific in-house training needs

## What we offer...

### Public programmes

Our most popular training courses are presented at a superior venue and are scheduled on a regular basis throughout the year. Public courses are open to all individuals and organisations.

### In-House and lightly tailored programmes

We have over 100 training courses and workshops to choose from. All our courses are presented exclusively at your organization – on a date and at a location that suits you. Whether you wish to train 5 or 500 delegates, we will provide the team and expertise to meet your training needs.

### Customised learning solutions

Designed to meet your exact requirements, our trainers can develop a course for you.
